

## HOST CHARACTER LIST – EXPANSION PACK #2. CHARACTERS #29-34.

There are 6 optional characters in this expansion pack (3M, 3F)

CHARACTER	BRIEF BIO	SUGGESTED ATTIRE
<p><b>BASE SQUEALEY</b> <i>Narcissistic Front Man of the Rock Band 'Hug'</i> Optional Male</p>	<p>Base Squealey is the obnoxious lead singer of the rock band <i>Hug</i>. He is a womanizer, but intelligent ladies avoid him like the flu. This rock star is a notorious one-upper and constantly adores his face in a trusty handheld mirror. He sings to women instead of speaking, as he believes this makes him utterly irresistible.</p>	<p><i>'80s rock band attire, hand mirror as a prop.</i></p>
<p><b>MELINDA PARNILE</b> <i>Lead Singer of The No Nos</i> Optional Female</p>	<p>Melinda Parnile is the tough-hearted lead singer of the pop band <i>The No Nos</i>. She is a cold-hearted, insensitive, compulsive liar who adores her little dog, Bangles, more than people. However, fame has its privileges, and she's got plenty of people in her inner circle willing to cater to her every meticulous need.</p>	<p><i>'80s pop star attire with large, teased hair—fake dog as an optional prop.</i></p>
<p><b>CAT FENAFAR</b> <i>Pop Guitarist and Singer</i> Optional Female</p>	<p>Cat Fenafar is a peculiar pop guitarist who always has a song on the pop charts. She is rather bizarre and demanding, as she once made her roadies sort out hundreds of green M&amp;Ms for her dressing room with no intentions of eating them. Cat Fenafar often forgets that she came from a poverty-stricken childhood and is the ultimate snoot to most people.</p>	<p><i>'80s pop star attire. Toy guitar as an optional prop. Hair is short, wig if needed.</i></p>
<p><b>IVAN STINKMAN</b> <i>Ghost Catcher</i> Optional Male</p>	<p>Ivan Pingmold is a wacky scientist-turned-ghost catcher. He has a considerable flatulence problem and often blames his sneaky stench on the <i>ghosts</i> around him. Most of the city believes Ivan's company is a sham, but his business has grown astronomically in the last year.</p>	<p><i>'80s ghost catcher outfit with some ghost-catching machine. A fart machine/whoopee cushion as a prop.</i></p>
<p><b>TOMMY MAGNUS</b> <i>Private Investigator</i> Optional Male</p>	<p>Hailing from Oahu, Hawaii, Tommy Magnus is a tenacious private investigator and respected veteran. Tommy is a former Navy SEAL, and the rumor is that he still might work for a top-secret government agency. He's also in the private sector for hire.</p>	<p><i>Hawaiian shirt, linen light-colored pants, a Detroit Lions baseball hat, and a thick mustache (real/fake).</i></p>
<p><b>LANE PONDA</b> <i>Fitness Guru</i> Optional Female</p>	<p>Lane Ponda is the creator of Buns of Iron—an intense workout regimen developed to build the tone of the gluteus muscles. There isn't one second of the day that Lane isn't working out, teaching a class, authoring another book on gluteus muscles, or working on a home exercise video. This Buns of Iron Guru is obsessed with fitness!</p>	<p><i>Any '80s style workout clothing with colorful leg warmers and hair teased into a large '80s hairstyle.</i></p>
