CAST MEMBERS ON THE SCHEDULE FOR THE NIGHT OF THE HALLOWEEN PARTY:

MORTICIA VAMPMAN - VAMPIRESS

Morticia Vampman is a successful gothic interior designer by day and a fierce vampire by night in the vampire castle room. Catty, manipulative, and always stirring the cauldron, Morticia has a legendary feud with Axel Guns—who not-so-affectionately calls her a drama-conjuring backstabber.

CANIS K. NYNE - WEREWOLF

Canis K. Nyne might just be the world's friendliest person. By day, Canis keeps the city clean as a sanitation engineer; by night, this werewolf howls into the moonlight in the dark forest on the 3rd floor. Loyal, dependable, and everyone's go-to good friend, but there's a rumor afoot that Canis might have a dark side buried somewhere deep. Just a rumor... right?

BRIT BONZ – SKELETON FIEND

Brit Bonz is a motor-mouthed, fast walking and talking skeleton fiend who practically sprints through the haunted house for fun. During the day, Brit works in the marketing department of a major beverage company—specifically, in energy drinks. Word on the street? Brit might be the company's longest-running test subject. That hyper energy *must* come from somewhere.

SCARY CAREY – BLOODY PROM QUEEN

Scary Carey earned her nickname years ago as a volatile seventh-grade math teacher, and now fully owns the title as the haunted prom queen. Drenched in fake blood and seething with rage, Scary Carey is famous for zero patience and a hair-trigger temper. Any sign of conflict? Duck and cover.

BELL Z. BUBBY - DEMON

Bell Z. Bubby is the picture of calm chaos. Bell works as a serene, stone-faced paralegal in the district attorney's office by day, and transforms into the lead demon in the *Underworld* room by night. Bell never cracks, doesn't panic, and won't show a flicker of emotion—no matter what breaks loose.

BING BLACK - GRIM REAPER

Bing Black is cast as an ill-omened grim reaper - one of the many tour guides of the haunted house. Ironically, Bing's on stage at the *Grim Ghost Comedy Club* in the afternoons and will burst into song at random times.

SKITTER VON OCTO – HUMANOID SPIDER

A humanoid spider mutant who scurries through the cobweb catacombs of the attic, Skitter wears a Victorian coat covered in dusty webs and carries a lunchbox full of beetles. Skitter has a habit of showing up in corners, hanging upside down in staff meetings, and whispering fun facts about venom. Skitter never blinks and is constantly knitting. Also – Skitter may or may not have laid eggs in the fog machine.

NASHI GNARLY – ZOMBIE ROCK STAR

This washed-up rockstar turned dental hygienist is playing the role of a snarling, guitar-wielding zombie. Nash tells everyone that the band, *Gnarly*, once opened for a famous group in 1998 (no one can verify). Nashi now headlines the zombie band, Rot 'N Roll, on stage in the *Afterlife Lounge* room on the third floor. However, in the haunted house's history, only one brave soul has ever made it that far.

CAST MEMBERS ON THE SCHEDULE FOR THE NIGHT OF THE HALLOWEEN PARTY:

RED AXEHOUSE - SERIAL KILLER

Red Axehouse is a bold firefighter by day and a hopeless romantic by night—reciting heartfelt poems at the local poetry club. That is, when not dressed as a serial killer and chasing teens through the *Chamber of Screams*. Equal parts menace and manners, Red is a chivalrous charmer with a flair for flames, feelings, and theatrical fear.

NANI NOONUNFA - ALIEN INVADER

Nani Noonunfa plays the lead role in the alien invasion room. Not used to hearing the word *no*, Nani can make things difficult. To make it worse, Nani's parents are multi-millionaires, and this trust fund kid works for fun.

VINKO VEXX – FUNHOUSE CLOWN

Vinko is a former theme park mascot who has slid too far into character—and has never come back. Vinko's now playing the most deranged clown in the funhouse and lives to unsettle others. Off the clock, Vinko speaks in rhymes, eats only yellow foods, and insists on doing 'trust falls' with unwilling coworkers. Vinko is also suspiciously good at balloon animal surgery.

THE COUNT - VAMPIRE

The Count plays the lead role in the vampire castle room. A defense attorney by day, this legal eagle spews incessant trash-talk and brutal honesty, saying whatever comes to mind. Yes, it's true that this attorney's legal name is...The Count.

V - SERIAL KILLER

V certainly hasn't made many friends at the haunted house over the years as the serial killer, Jamie Vorahees. V is extremely uptight, inflexible, and impersonal...at work and at play. V's only job is a seasonal position at the Chamber of Screams. Rumor has it that V runs with hooligans on the streets and causes havoc.

RAPPEN TYTE - MUMMY

Rappen Tyte is a spunky college student from the Blackthorn University who plays the role of a mummy in the Egyptian tomb room. Rappen constantly mocks everyone and has a reputation for being greedy and overzealous. Word of advice: don't let Rappen take advantage of you.

AXEL GUNS - EXECUTIONER

Look up *perfectionist* in the dictionary, and you'll find Axel Guns' picture taped next to the definition—probably straightened and re-taped three times. Nothing ever feels good enough, no matter how flawless it looks. A full-time artist and part-time self-critic, Axel is constantly tweaking masterpieces already hailed as some of the nation's best. Even personal appearance is a project; no reflective surface goes uninspected.

SAM CHAWPALOT - BUTCHER

This fun-loving prankster butcher from the slaughterhouse room is pure chaos—and a total blast at any party. Sam Chawpalot has tricks tucked into every sleeve (and possibly a fake spider in your drink). As the proud owner of a local joke shop, Sam lives to startle, sizzle, and stir up trouble. Watch your back... and your snacks.

CAST MEMBERS ON THE SCHEDULE FOR THE NIGHT OF THE HALLOWEEN PARTY:

TYLER DREAMS - SERIAL KILLER

Tyler Dreams stars in the *Nightmare on 13th Street* room and treats every shift like a horror movie audition. A serious scare artist with Broadway dreams and boundary issues, Tyler is one of the most terrifying in the house—especially if you're not a fan of intense eye contact and *very* close talking.

LEROUX GASTON - PHANTOM OF THE OPERA HOUSE

Hailing from France, Leroux hit the Hollywood spotlight as a child star before trading fame for small-town shadows by age fifteen. Now haunting the opera house room, Leroux brings drama, gloom, and world-class brooding to the role. Not exactly the cast therapist—Leroux has a gift for turning any pep talk into an existential crisis. Hence the nickname: Doomer McGloomer.

MARY FRANX - BRIDE OF FRANKELSTEIN

Mary Franx is an antisocial wannabe supermodel playing the *Bride of Frankenstein*—and no, she doesn't want your autograph. She's judgy, standoffish, and packs enough hand sanitizer to sterilize a crypt. Mary avoids everyone, especially customers, and dishes out insults like she's moonlighting for a delivery app. Disinfect. Dismiss. Repeat.

POCUS EASTWICK - WITCH

Pocus Eastwick is a wildly enthusiastic fast-food worker by day and a cackling witch by night in the coven room. Known for taking the role *way* too seriously, Pocus insists on brewing potions in the break room and refers to coworkers as "mortal scum." Word around the haunted house? Pocus might actually believe the whole witch thing.

MONEY MILENKO - FUNHOUSE CLOWN

Money Milenko is one of the many creepy clowns in the funhouse section. A party clown-for-hire by day, *eccentric* describes this hair-raising entertainer best. Money's known for terrible table manners, so don't invite this clown to dinner!

DR. JECKLE HYDE - MAD SCIENTIST

Dr. Jeckle Hyde, who happens to be a doctor in real life, plays the lead role in the mad science laboratory. Known to be an arrogant over-exaggerator, Dr. Hyde might still win your heart with Australian charm. But don't be fooled; Dr. Hyde cares about one thing...Dr. Hyde. You better let this unhinged doc have the final word or else!

GERRI GREEN - SWAMP CREATURE

Details, details, details! If you're speaking to Gerri Green, you'll be swarmed with intricate fine points and fun facts! This is one over-explaining cast member of the lagoon room. Clear your schedule if you get roped into chatting with Gerri.

ZED ZEFF - ZOMBIE

Zed Zeff is the eerily silent star of the cemetery room. New this year, Zed oozes mystery and unnerves more than a few cast members. Zombie? Method actor? Corpse with a timecard? Nobody's sure... and Zed's not saying.
