8 players, all flex gender. All are optional to play and may be played in any combination with other optional characters within this pack and other packs/main game.

STATUS	CHARACTER	BIO	COSTUME SUGGESTIONS	SUGGESTED ASSIGNMENT
<b>OPTIONAL</b>	<b>Riley Penrose</b> Publisher	Riley Penrose, head publisher at Hemloxx Fiction, is a potent force of literary passion and eccentricity. With their collection of vintage typewriters and an ever-growing menagerie of office pets, Riley brings a delightful and unconventional touch to the publishing world. Known for their uncanny ability to spot hidden gems in slush piles, Riley creates an environment in the publishing house that fosters creativity and celebrates the power of imagination by hosting impromptu storytelling sessions. Their signature oversized black-rimmed glasses, white tube socks and sandals, and a secret stash of chocolate bars make Riley an unforgettable and cherished presence in the world of Hemloxx Fiction.	Vintage fashion, unique patterns, and unexpected accessories. White tube socks and sandals.	This role may be played by any personality type but maybe someone a bit quirky.
	<b>Liorin Zephyrcrest</b> Showrunner	Liorin was a familiar face on the soundstages of Hollywood for over two decades. Liorin has played a central role in breathing life into many beloved commercials and both narrative and reality television shows. A year ago, Liorin met the CEO of Hemloxx, Hunter Bentley, on an airplane. While seated together, they became fast friends. It wasn't long before Hunter persuaded Liorin to become the showrunner for <i>The Daily Snoop</i> – an on-demand streaming platform that delivers breaking news around the clock. Liorin couldn't refuse the massive salary and benefits package – which is how Hunter usually recruits the top talent in every industry. Liorin misses the bright lights of the big city but has settled in rather nicely in the sometimes quiet town of Bramford Bluff.	Flashy designer attire – you are used to rubbing elbows with Hollywood elite.	This role may be played by any personality type.
	<b>Morgan Shadowvale</b> Front Desk Clerk	Morgan Shadowvale is usually the first face a <i>Ze Hotel Hemloxx</i> visitor will see. This enigmatic reception desk worker casts an eerie aura that leaves hotel guests with a lingering sense of unease. With their piercing gaze and mysterious smile, Morgan adds an element of darkness to their role at the front desk at the hotel. Whispers of Morgan's ability to uncover anyone's most profound fears have spread throughout the hotel, making Morgan a haunting figure that intrigues and unnerves those who cross their path.  Morgan is the one person that most of the hotel staff tries to stay clear of, as they cannot be bossed around or made to do anything outside of their duties stated in their employment contract.	Gothic, strange attire.	This role should be played by someone who can pull off 'creepy.'
	<b>Cam Lexington</b> Chicken Fryer	Cam 'Brainz' Lexington, the incredibly intelligent and quick-witted fast food worker at <i>Pick a Plucky Chicken</i> , is a genuine intellectual hidden among the fryers, paper packaging materials, and cash registers. With their encyclopedic knowledge and lightning-fast calculations, Cam could recite the entire restaurant menu from memory, along with a complete breakdown of the nutritional facts of each item. Their colleagues and customers are constantly astounded by Cam's ability to engage in thought-provoking conversations while managing the bustling fast food environment effortlessly. Despite their genius, Cam maintains a humble and approachable demeanor, making them a beloved and unforgettable figure at the fast food restaurant.	Fast food worker costume.	This role may be played by any personality type.

<b>OPTIONAL</b>	<b>Avery Blackthorn</b> Gravedigger	Avery Blackthorn, the enigmatic gravedigger at <i>Gorgeous Graves</i> , embodies an unsettling presence that sets them apart. With a peculiar wealth of knowledge of burial practices and a deep connection to the realm of the departed, Avery exudes an air of respectful reverence. Their meticulousness in maintaining the graveyard and ability to produce beautifully ornate tombstones have earned them a reputation for turning final resting places into works of art. Despite the solemn nature of their work, Avery’s calm and compassionate presence brings comfort to those who mourn. Avery is a valued employee at the Hemloxx graveyards.	Overalls and a shovel as an optional prop.	This role may be played by any personality type.
	<b>Dr. Sydney Tungston</b> Research Scientist	Dr. Sydney Tungston, the brilliant nanotechnologist at Hemloxx Science, devotes their expertise to studying the peculiar phenomenon known as Jovialitis Syndrome. This condition causes individuals to experience uncontrollable fits of laughter, often in inappropriate or unexpected situations. Dr. Tungston diligently works towards unraveling the mysteries of this unique ailment and is currently developing nanomaterials that can be ingested or injected to interact with neurotransmitters or neural pathways related to laughter. Motivated by profound empathy, Dr. Tungston's groundbreaking research aims to transform the understanding and management of this chronic condition.	Mad scientist-inspired costume.	This role may be played by any personality type.
	<b>Orion Steele</b> Cybersecurity Specialist	Orion Steele, the extraordinary cybersecurity virtuoso at <i>Hemloxx Cyber</i> , seamlessly combines their unmatched technical prowess with a hilarious personality. This combination of characters often compels Orion to do silly things, such as rearranging Wi-Fi names to spell out movie quotes at coffee shops. Orion has an insatiable passion for solving intricate puzzles and always solves the local escape rooms in record times.  Their vividly-hued hair and cherished collection of video game figurines infuse a distinct charm to this digital defender. Orion is an avid gamer and is always talking about video games.	Video game-inspired costume with pocket protectors	This role may be played by any personality type.
	<b>Blue Grayson</b> Tailor	Blue Grayson, the boundary-defying tailor, is a gem in the world of style. Embracing a philosophy of creative liberation, Blue executes the sewing and construction of garments according to the fashion designer’s expectations but also will add finishing touches that push the boundaries of style and elevate designs. Blue consistently exceeds expectations by crafting a vision in record time, but they can also create patterns, help with illustrations, and know where to purchase the finest materials. Blue’s specialty is repurposing discarded materials into breathtaking fashion pieces. Through their perfectly-sewn creations, Blue positively impacts the Hemloxx Fashion House team by setting a perfect example of how a Hemloxx employee should spend their days.	Avante Garde attire – if you can make it look like it was designed from trash – that’s perfect, but optional.	This role may be played by a fun-loving and outgoing personality type.
