Parent is absent-minded and refuses to eat or taste food around others – even while preparing dishes during dinner service, as they think they chew weirdly. But Parent showed everyone how good of a culinary mastermind and restaurant manager they are after being awarded three Michelin stars, the highest honor a restaurant can achieve. Unfortunately, since the steakhouse received the accolades, Parent's ego inflated. This chef has become hyper-critical of others. Alas, there isn't much anyone can do about this behavior change, as Parent's the reason for the success. Also, the executives of Hemloxx Hospitality are studying the recipe for Parent's success in planning to open many more locations worldwide.</p>	Chef's uniform.	<b>FIRM RSVP</b> Any personality type may play this role.
<b>REQUIRED</b>	<b>Quill Bentley</b> Funeral Monarch, Gorgeous Graves	<p>Quill is the youngest of the CEO's children and was doted on immensely by their late mother until her passing only two years ago. Lately, Quill has become unemotional and detached from the rest of the family. The town gossips speculate it is because Hunter Bentley was a person of interest in his wife's death and was never charged. This has led to an atmosphere of distrust that has spread company-wide like a plague.</p> <p>Nevertheless, after working every summer in the mailroom for the company since the age of 15, Quill now is full-time for Hemloxx Afterlife and manages <i>Gorgeous Graves</i> – a chain of exclusive burial grounds touted as luxury death experiences. All employees of Hemloxx Afterlife are referred to as <i>funeral monarchs</i> – no matter what their duties are.</p> <p>Quill has always had a bizarre arm swing while walking, and this behavior has intensified since their mother's death.</p>	Gothic attire with cemetery-worthy accessories, such as a coffin necklace, etc.	<b>FIRM RSVP</b> A fun, outgoing person should play this role that doesn't mind being a bit Gothic.
<b>REQUIRED</b>	<b>Raven Thornhill</b> Concierge, Ze Hotel Hemloxx	<p>Raven Thornhill is the concierge at the Bramford Bluff flagship property of <i>Ze Hotel Hemloxx</i> – a luxury hotel chain and division of Hemloxx Hospitality. Raven spews apathy from their pores, living life at the most leisurely pace possible for a career-centric professional. Nothing triggers this concierge's sense of urgency. There isn't a situation or crisis to give this lazy service professional the slightest bit of panic or haste.</p> <p>This attitude towards life explains why Raven delegates their daily tasks to the hotel staff. As a result, some have speculated that Raven has an exceptionally high IQ and is a mastermind.</p> <p>In addition, Raven's obsessed with personal hygiene and gives unsolicited advice on improving other people's routines.</p>	Concierge attire – black suite, white gloves.	<b>FIRM RSVP</b> Raven has a rather complex role to play – having a high IQ but being lazy. Assign this to an outgoing player.

<b>REQUIRED</b>	<b>Binx Pompkins</b> Fashion Designer	<p>Binx Pompkins, a fashion designer extraordinaire, is a whimsical and free-spirited artist with an unmistakable sense of style. With a flair for the unconventional and an eye for detail, Binx creates fashion that transcends boundaries and challenges societal norms. Their signature look is a kaleidoscope of colors, textures, and patterns, effortlessly mixed and matched to create visually stunning ensembles. Binx's debut fashion show, years ago, rocked the fashion industry. Unfortunately, the long-awaited follow-up line did not hold the same standards or turn many heads. Binx is currently working on a come-back line. Fingers are crossed it won't disappoint.</p> <p>Nonetheless, Binx Pompkins' debut line redefined the notion of beauty, paving the way for a fashion revolution that celebrates self-expression and unbridled imagination.</p>	<p>Avant Garde style – express yourself.</p>	<p><b>FIRM RSVP</b> A boisterous, high-spirited person should play this role. They can have fun and embellish this character.</p>

Unfortunately, Penn is often accused of cheating, as nobody can fathom that a person could have that much random knowledge.</p> <p>Penn works for Hemloxx Cyber. The job descriptions are not made public like other divisions in the company, but their group's mission is to provide cybersecurity for Hemloxx.</p> <p>Nevertheless, Penn's team has been accused of hacking into competitors' networks, but no solid evidence has emerged. Cove played a supporting role in over fifty Hollywood movies but can walk down city streets without being recognized. Some say Cove is a failed actor, but Cove defends that bringing news to the subscribers of <i>The Daily Snoop</i> is what they were born to do. Grey takes in strays of all kinds.</p> <p>An aspiring 'Doctor Doolittle,' this soft heart has rescued many different species of pets at their home. Unfortunately, Dr. Sauron also has an annoying habit of lightly tapping on the cheek of whoever they speak to while spewing snap judgments about other people. Still, the internal affairs investigators have unveiled no solid evidence of this, so Jamie's job is relatively safe.</p> <p>Jamie is overly trusting and will forgive anyone who wrongs them - even the haters who tell lies. Alaska hosts the <i>Bramford Bluff Weekly</i> podcast on the celebrity gossip site <i>Hemloxx Spilled Tea</i>, a division of Hemloxx Media. Speaking without a filter and caring less about your feelings than a sick toad surrounded by hognose snakes, Alaska is a highly resourceful and entertaining podcast host – even if some of the Hemloxx execs don't agree.</p> <p>But what's strange is that Alaska speaks with various accents that will change mid-sentence. Nobody, even medical professionals, can determine why or how this happens. Podcast viewership is rising, so Alaska isn't changing a thing.</p>	<p>Super trendy attire with a notepad to take notes on others (optional).</p>	<p>This character should go to a more outgoing personality with moderate acting skills.</p>

Nobody truly knows what the cybersecurity group does besides keeping the corporation's data safe and its web presence online without disruption. There have been accusations made by anonymous sources reporting to the media that this group is nothing but a criminal hacking faction. However, the staff has categorically denied all allegations made against them. The cybersecurity team is trying to find the mole among them before another press leak happens. This executive believes they've pinpointed the saboteur. This CTO has a habit of clearing their throat when nervous, and on a personal level, Sawyer's socially inept. Once they open their mouth to give an account of what happened to them, the embellishments pour out and worsen until the story is unrecognizable and entirely unbelievable. This is why Sawyer prefers to stay quiet in social situations.</p>	<p>Black hoodie, pants. You try to blend in and remain unassuming.</p>	<p>This role may be played by any personality type. Impulsive, Reign claims to be <i>allergic to plans made in advance</i> but still manages to be quite a perfectionist - and a fantastic dancer to boot.
