## HOST CHARACTER LIST – CHAOS IN THE CUBICLES

16 players, all flex gender. 8 are required to play.

STATUS	CHARACTER	BIO	COSTUME SUGGESTIONS	SUGGESTED ASSIGNMENT
<b>REQUIRED</b>	<b>Parent Brone</b> Executive Chef, The Sneaky Steak	Parent Brone is the executive chef of <i>The Sneaky Steak</i> - the fine dining restaurant of Hemloxx Hospitality. Parent is absent-minded and refuses to eat or taste food around others – even while preparing dishes during dinner service, as they think they chew weirdly. But Parent showed everyone how good of a culinary mastermind and restaurant manager they are after being awarded three Michelin stars, the highest honor a restaurant can achieve. Unfortunately, since the steakhouse received the accolades, Parent's ego inflated. This chef has become hyper-critical of others. Alas, there isn't much anyone can do about this behavior change, as Parent's the reason for the success. Also, the executives of Hemloxx Hospitality are studying the recipe for Parent's success in planning to open many more locations worldwide.	Chef's uniform.	<b>FIRM RSVP</b> Any personality type may play this role.
<b>REQUIRED</b>	<b>Quill Bentley</b> Funeral Monarch, Gorgeous Graves	Quill is the youngest of the CEO's children and was doted on immensely by their late mother until her passing only two years ago. Lately, Quill has become unemotional and detached from the rest of the family. The town gossips speculate it is because Hunter Bentley was a person of interest in his wife's death and was never charged. This has led to an atmosphere of distrust that has spread company-wide like a plague.  Nevertheless, after working every summer in the mailroom for the company since the age of 15, Quill now is full-time for Hemloxx Afterlife and manages <i>Gorgeous Graves</i> – a chain of exclusive burial grounds touted as luxury death experiences. All employees of Hemloxx Afterlife are referred to as <i>funeral monarchs</i> – no matter what their duties are.  Quill has always had a bizarre arm swing while walking, and this behavior has intensified since their mother's death.	Gothic attire with cemetery-worthy accessories, such as a coffin necklace, etc.	<b>FIRM RSVP</b> A fun, outgoing person should play this role that doesn't mind being a bit Gothic.
<b>REQUIRED</b>	<b>Raven Thornhill</b> Concierge, Ze Hotel Hemloxx	Raven Thornhill is the concierge at the Bramford Bluff flagship property of <i>Ze Hotel Hemloxx</i> – a luxury hotel chain and division of Hemloxx Hospitality. Raven spews apathy from their pores, living life at the most leisurely pace possible for a career-centric professional. Nothing triggers this concierge's sense of urgency. There isn't a situation or crisis to give this lazy service professional the slightest bit of panic or haste.  This attitude towards life explains why Raven delegates their daily tasks to the hotel staff. As a result, some have speculated that Raven has an exceptionally high IQ and is a mastermind.  In addition, Raven's obsessed with personal hygiene and gives unsolicited advice on improving other people's routines.	Concierge attire – black suite, white gloves.	<b>FIRM RSVP</b> Raven has a rather complex role to play – having a high IQ but being lazy. Assign this to an outgoing player.

<b>REQUIRED</b>	<b>Binx Pompkins</b> Fashion Designer	<p>Binx Pompkins, a fashion designer extraordinaire, is a whimsical and free-spirited artist with an unmistakable sense of style. With a flair for the unconventional and an eye for detail, Binx creates fashion that transcends boundaries and challenges societal norms. Their signature look is a kaleidoscope of colors, textures, and patterns, effortlessly mixed and matched to create visually stunning ensembles. Binx's debut fashion show, years ago, rocked the fashion industry. Unfortunately, the long-awaited follow-up line did not hold the same standards or turn many heads. Binx is currently working on a come-back line. Fingers are crossed it won't disappoint.</p> <p>Nonetheless, Binx Pompkins' debut line redefined the notion of beauty, paving the way for a fashion revolution that celebrates self-expression and unbridled imagination.</p>	Avant Garde style – express yourself.	<b>FIRM RSVP</b> A boisterous, high-spirited person should play this role. They can have fun and embellish this character.
<b>REQUIRED</b>	<b>Penn Bloodman</b> Cybersecurity Specialist	<p>Penn Bloodman is an introverted ethical hacker with open disdain for society. Penn is stubborn and will never reconsider a decision. This computer genius has an exceptionally high IQ and rules the circuit of local trivia competitions in Bramford Bluff. Unfortunately, Penn is often accused of cheating, as nobody can fathom that a person could have that much random knowledge.</p> <p>Penn works for Hemloxx Cyber. The job descriptions are not made public like other divisions in the company, but their group's mission is to provide cybersecurity for Hemloxx.</p> <p>Nevertheless, Penn's team has been accused of hacking into competitors' networks, but no solid evidence has emerged. Supposedly there is a traitor in their cubicles. The cybersecurity team has been busy as bees formulating a strategy to banish the mole in their midst.</p>	Black hoodie, black pants. You want to blend in and not get noticed.	<b>FIRM RSVP</b> Any personality type may play this role.
<b>REQUIRED</b>	<b>Cove Draco</b> News Reporter	<p>Cove Draco is a former film star turned news reporter for <i>The Daily Snoop</i>, a streaming platform of Hemloxx Media. Cove is in front of the cameras, reporting breaking news via on-demand programming and live streams. The program was previously accused of spying and using unfair surveillance to get their stories, but Cove adamantly denies engaging in any illegal activities. Cove played a supporting role in over fifty Hollywood movies but can walk down city streets without being recognized. Some say Cove is a failed actor, but Cove defends that bringing news to the subscribers of <i>The Daily Snoop</i> is what they were born to do. That said, be careful trusting in Cove, as they are an unpredictable, compulsive liar. This fibber constantly peers over their shoulder as they have burned many bridges in Hollywood and Bramford Bluff.</p>	Business attire. You need to appear to be camera ready in case a story breaks out. Prop mic as an optional accessory.	<b>FIRM RSVP</b> Any personality type may play this role.
<b>REQUIRED</b>	<b>Grey Sauron</b> Research Scientist	<p>Grey Sauron is a workaholic research scientist for Hemloxx Science, Biotech division. Grey works on many top-secret projects at the lab and refuses to discuss their projects. Grey won't even breathe hints about what the lab is about to release. <i>SymbioTom</i> is the only known project of Hemloxx Science - a collaborative project between the divisions of Hemloxx Science led by one of the Bentleys. <i>SymbioTom</i> is an android personal assistant who can aid in all facets of their owner's life. <i>SymbioTom</i> hitting the markets will forever change humanity - or so they say. Grey takes in strays of all kinds.</p> <p>An aspiring 'Doctor Doolittle,' this soft heart has rescued many different species of pets at their home. Unfortunately, Dr. Sauron also has an annoying habit of lightly tapping on the cheek of whoever they speak to while spewing snap judgments about other people. Grey might seem stubborn, but they are easily influenced. Will someone eventually get Grey to squeal about the projects at the lab? Maybe so.</p>	Lab coat. You can ham it up as a mad scientist if you wish.	<b>FIRM RSVP</b> This role should be played by someone with good acting skills. They should be able to act mysterious.

<b>REQUIRED</b>	<b>Jamie Torrance</b> Tour Guide, Hemloxx Incorporated	<p>Jamie Torrance is a good friend of Zene Bentley, the CEO of Hemloxx's child. After moving to Bramford Bluff years ago, Jamie became fast friends with Zene and used this connection to launch a self-made career as a tour guide of the Hemloxx, Incorporated headquarters in Bramford Bluff.</p> <p>However, there have been recent rumors about Jamie taking bribes and allowing corporate spies from <i>Bony, Incorporated</i> to infiltrate areas of the campus that shouldn't be on the tour routes. Still, the internal affairs investigators have unveiled no solid evidence of this, so Jamie's job is relatively safe.</p> <p>Jamie is overly trusting and will forgive anyone who wrongs them - even the haters who tell lies. Jamie is witty and loves to tell jokes, even taking a turn at the microphone at the local comedy club on amateur nights. Jamie often tries out new comedy sets during the Hemloxx tours to ensure their jokes get enough laughs.</p>	<p>Solid colored shirt and khaki pants/shorts. Make a name tag by wrapping a piece of cardboard with foil.</p>	<p><b>FIRM RSVP</b> This role may be played by any personality type. If you have someone who loves to tell jokes – assign them to this role.</p>	
	<b>OPTIONAL</b>	<b>Alaska Fusco</b> Podcast Host	<p>The person with a pen pressed against a notepad staring intently from across the room reading your lips is most likely the notorious Alaska Fusco. Alaska hosts the <i>Bramford Bluff Weekly</i> podcast on the celebrity gossip site <i>Hemloxx Spilled Tea</i>, a division of Hemloxx Media. Speaking without a filter and caring less about your feelings than a sick toad surrounded by hognose snakes, Alaska is a highly resourceful and entertaining podcast host – even if some of the Hemloxx execs don't agree.</p> <p>But what's strange is that Alaska speaks with various accents that will change mid-sentence. Nobody, even medical professionals, can determine why or how this happens. Podcast viewership is rising, so Alaska isn't changing a thing.</p>	<p>Super trendy attire with a notepad to take notes on others (optional).</p>	<p>This character should go to a more outgoing personality with moderate acting skills.</p>
		<b>Rue Hellebore</b> Executive Manager, Pick-a-Plucky Chicken	<p>Rue Hellebore is the executive manager for <i>Pick a Plucky Chicken</i>, a subdivision of Hemloxx Hospitality. Rue landed the lucrative position after witnessing a fender-bender between Hunter Bentley and a custodian in the corporate headquarters parking lot. Unfortunately, Rue was encouraged to erroneously side with Hunter – even though they'd witnessed what truly happened. Alas, Rue helped the CEO of Hemloxx avoid an insurance claim and potential lawsuit, so Rue was swept from a fast food kitchen to a plush office at headquarters. Rue now has power and authority over their former colleagues and the staff of 175 chain stores worldwide.</p> <p>Rue is cunning and calculated and feeds off the negative energy of others. Rue finds reasons to act sad about things, and their favorite pastime is napping during thunderstorms.</p>	<p>Business casual. Have a rubber chicken as a funny prop or wear a chicken inspired hat.</p>	<p>Any personality type may play this role.</p>
		<b>Enby Riddle</b> Funeral Monarch, Fancy Funerals	<p>Enby Riddle is the liaison with the county morgue and mortician, aka funeral monarch, who prepares the dead bodies for burial at <i>Fancy Funerals</i>, a subdivision of Hemloxx Afterlife. Enby has a knack for appearing busier than they are but is a kind soul who is always willing to lend a hand. However, given their occupation, Enby has a lot of stories about the dead that make most people queasy and uneasy, so be careful how you steer the conversation while chatting with this dead body prepper.</p> <p>Enby has worked for <i>Fancy Funerals</i> for over a decade and has never missed a day of work or lodged one complaint. But also, Enby still needs to receive a raise. Enby should learn to speak up.</p>	<p>Black suit. If you are up for it – put dark circles under your eyes and give yourself a bit of a creepy appearance.</p>	<p>This role may be played by any personality type. If you need a role for a shy/reserved person, pick this one.</p>

<p><b>Sawyer Huxley</b> Chief Technology Officer (CTO)</p>	<p>Sawyer Huxley is the Chief Technology Officer of Hemloxx, Incorporated. Sawyer oversees the corporation's technology as a whole, including the leadership of the cybersecurity division at Hemloxx. Nobody truly knows what the cybersecurity group does besides keeping the corporation's data safe and its web presence online without disruption. There have been accusations made by anonymous sources reporting to the media that this group is nothing but a criminal hacking faction. However, the staff has categorically denied all allegations made against them. The cybersecurity team is trying to find the mole among them before another press leak happens. This executive believes they've pinpointed the saboteur. This CTO has a habit of clearing their throat when nervous, and on a personal level, Sawyer's socially inept. Once they open their mouth to give an account of what happened to them, the embellishments pour out and worsen until the story is unrecognizable and entirely unbelievable. This is why Sawyer prefers to stay quiet in social situations.</p>	<p>Black hoodie, pants. You try to blend in and remain unassuming.</p>	<p>This role may be played by any personality type. If you are looking for a role for a shy/reserved player – assign them this role.</p>
<p><b>Salem Bentley</b> Compliance Officer</p>	<p>Salem Bentley is the third youngest child of Reign Bentley, the COO of Hemloxx and next in line to become CEO. Upon graduation with a master's degree in business administration, Reign secured a job for Salem with Hemloxx Legal as a compliance specialist. Salem has a photographic memory and loves to boast about the gift to anyone in earshot, hoping to be challenged to prove the skill to anyone with doubts. Unfortunately, Salem has become an infamous credit-stealer of others' work at the office. Salem does have a close group of colleagues but is raking up a list of foes in the short time since joining the Hemloxx team six weeks ago. If you have the misfortune to work with this backstabber, don't turn your back on them.</p>	<p>Business formal – you are very uptight.</p>	<p>Any personality type may play this role.</p>
<p><b>Dr. Quid Nightshade</b> Research Scientist</p>	<p>Dr. Quid Nightshade, a brilliant robotic scientist, epitomizes nerdy charm. With messy hair, thick-framed glasses, and a pocket protector filled with pens and scientific tools, Dr. Nightshade exudes a lovable geekiness. Passionate about pushing the boundaries of scientific discovery, this doc spends day after day, tucked away in the lab, meticulously working with robotics and conducting experiments that could change the course of technological advancements. Despite being introverted, Dr. Nightshade's enthusiasm for AI and robotics is infectious. Quid has a knack for explaining complex concepts in simple terms, endearing this hardworking scientist to colleagues and superiors alike.</p>	<p>Mad scientist-inspired attire.</p>	<p>Any personality type may play this role.</p>
<p><b>Reign Bentley</b> Chief Operations Officer (COO), Hemloxx</p>	<p>People say what Reign Bentley touches turns into hypothetical gold. Reign was born with a mind for business. From the fourth grade until high school graduation, Reign operated a profitable convenience store out of commandeered lockers for fellow students. After college graduation, Reign became the second-in-charge at Hemloxx, serving as the Chief Operations Officer (COO). Impulsive, Reign claims to be <i>allergic to plans made in advance</i> but still manages to be quite a perfectionist - and a fantastic dancer to boot. Reign is a single parent by choice with four adopted offspring. Unfortunately, three of Reign's adult children still live at home.</p>	<p>Prim, proper and luxurious. You have tons of money. Stuff fake bills in your pockets (optional) and have them sticking out.</p>	<p>This role may be played by a good actor who can act posh/superior.</p>

	<b>Harper Doodles</b> Interior Designer	<p>An eccentric interior designer, Harper Doodles has a penchant for infusing spaces with whimsy and unexpected charm. With unbelievable talent, Harper combines creativity and humor in every project, delighting clients with incredible design elements. Known for their obsession with polka dots, Harper often incorporates the pattern into their designs, from walls to furniture upholstery. Their signature oversized vintage sunglasses are a staple accessory, adding a touch of retro flair to their appearance.</p> <p>Harper's unusual habit of talking to their potted plants for design advice has become a joke among colleagues. Still, their uncanny ability to create captivating and laughter-filled spaces sets them apart in interior design.</p> <p>As an interior designer for <i>Hemloxx Interior Design</i>, a division of Hemloxx Design, Harper's imaginative approach brings a delightful twist to the company's projects, making them a beloved and sought-after team member.</p>	<p>Eccentric attire. Design yourself as you would a quirky living room. Oversized vintage sunglasses.</p>	<p>This role may be played by a person who is at least slightly eccentric and quirky.</p>

### NAME TAGS:

### GAME CARDS - PRE-GAME TASKS:

Names removed on cards to minimize plotline spoilers – but there are no spoilers for the victim or murderer on these sample cards.

#### CHARACTER A - PRE-GAME ROUND

GET THE PARTY STARTED BY CONTACTING THE FOLLOWING CHARACTERS.

**Contact** Character H and say: I cannot believe you started a graveside wedding program. Do you think anyone would want to get married in a cemetery? That's hysterical. No offense, but it's no wonder that your father thinks you are a loser.

Contact info: \_\_\_\_\_

**Respond to** Character Y and say: Stop spreading lies. You did not get sick from my food.

*(If Character Y doesn't contact you, disregard this task.)*

**Respond to** Character W and say: I heard from a credible source that you hacked into *Bony, Inc.* – our main competitor- and took all their websites down, digitally vandalized them, and stole the data from their networks.

*(If Character W doesn't contact you, disregard this task.)*

## ROUND ONE SAMPLE CARD:

### CHARACTER K ♦ ROUND ONE

#### SAY THE FOLLOWING TO OTHERS:

- I'm working on a top-secret project. My former project was a bioterrorism agent that immobilizes everyone within a five-mile radius and dissolves their skin in minutes. However, we dropped it since the Irish mafia stopped paying Hunter Bentley (the CEO) the monthly 'grant' payments. I like my new project, but it needs much more work.
- The android (*SymbioTom*) is dangerous and should not be released onto the market by our company.
- I love my job, but there's a new VP of Health and Fitness (a new division of Hemloxx) position. I'd kill for the position! I applied for it. The salary is enormous & it's far less stressful!
- Our CEO is always involved in scandals and isn't keen on surveillance cameras, but I have nanny cams in my laboratory! They record 24 hours a day, seven days per week. I don't trust anyone, sorry.

#### THINGS YOU MAY CONCEAL FOR NOW:

- This has been removed to minimize spoilers. There will be inside-information about the character that enables the player to react to others.

### CHARACTER G ROUND TWO

#### SAY THE FOLLOWING AS YOU MINGLE (PRE-MURDER CLUES):

- After hearing about the scandals at our company, I am sick to my stomach. The fact that my brother decided to take a vacation instead of attending the yearly gala sickens me. I will ask the board to remove Hunter as the CEO based upon the evidence uncovered about his terrible business practices and the people, such as Character L and N, that he protects but deserve to be fired – if not charged criminally for what they've done.
- Character M talked about hating hated Elara Sinclair after learning she'd be in town and would dine at *The Sneaky Steak*. The A-lister was meeting with Character R about getting married in one of our graveyards. Elara got a bad case of food poisoning after demanding that they make her an off-menu chicken alfredo. I think she was intentionally poisoned, and Hunter covered it all up.
- I'm being blackmailed for 20% of my salary, and I can't afford it. I also don't get along with my colleagues.

#### POST-MURDER CLUES – DISCUSS AFTER THE VICTIM REVEAL:

- There will be clues here for the murder.

**EVERYONE WILL HAVE A SOLUTION CARD IN THE GAME FOR ROUND THREE.**
