SABINE PAPILLON

GUEST LIST

ZOHAR HIGHMORE

Werewolf

Zohar Highmore is a strikingly handsome Alpha from Australia. His clan is known as the most relaxed in the Werewolf Faction. Although he doesn't take life too seriously, Zohar is nearing 250 years old—and with a life expectancy of 300 years, he has seen more than most.

JULIEN TREMBLAY

Vampire

Julien Tremblay is Francois Tussand's fiercely loyal second-in-command. Southern Vampire royalty with a short fuse and a big thirst for human blood, Julien's devotion borders on fanatical. He's ready for a fight, with tensions rising between the North and South.

MAGDALENE LEBEAU

Vampire

Magdalene LeBeau is the secretive matriarch of the Northern Hemisphere's vegetarian vampires. She's kept her bloodline under wraps for centuries, feeding only on animal blood and living in harmony with humans—well, mostly. Behind her serene facade? A ruthless queen who doesn't play well with others and always gets what she wants.

KADIR EVILIAN

Sorcerer

Kadir Evilian, head warlock of Order Thirteen, is every bit as rebellious as his title suggests. Reckless and power-hungry, Kadir dreams of coming out to the humans—not to connect, but to conquer. He's not going to attend to make alliances. He's attending for domination.

CIAR CLENNAN

Werewolf

Ciar Clennan is the noble Alpha of Europe's werewolf clan and firmly believes in doing what's right. Known for his integrity and strict pack rules, Ciar has ensured werewolves remain nothing more than myths to the humans. Until now.

Francois's vampires never gave up the taste for human blood—and he sees no reason they should start now.

CYRENA CRYPT

Sorcerer

Cyrena Crypt reigns as one of the most powerful witches in the Royal Ravenblood Coven—Order One, to be exact. Austin's most unsettling psychic.

GUEST LIST

CORREEN DEVANY

Werewolf

Correen Devany is the ultimate lone wolf. A rogue werewolf from Rome who never bonded with a pack, Correen now leads a ragtag crew of outcasts. Rules? She doesn't follow them. And she hasn't seen Ciar—her would-be Alpha—since bolting as a cub with her brother.

PAXTON RAZOR

Werewolf

Paxton Razor is the rugged Alpha of the American werewolf clan and a U.S. National Security Advisory Committee member. He's been living undercover among humans for years, hiding his claws beneath cufflinks—until now. His best friend? None other than June Grace.
