CHARACTER P

OPTIONAL - for some pre-party fun, contact the following guests before Lacey's party:

Contact the guest playing Character S and tell her to bring your top she borrowed from you three years ago to Lacey's party. Everyone knows she borrowed it from you, and she just needs to give it back!

(Contact info : _____)

Contact the guest playing Character O and complain that the car you purchased two months ago is having trouble starting. Ask if it can be repaired by the car lot at no charge, or if it is covered by the *Lemon Law* or whatever that is.

(Contact info : _____)

ROUND ONE CARDS each player will have one in the printable file. Character names removed to minimize spoilers. You are cautioned to read this if you are trying to keep everything a surprise, but it will give you an idea of some storylines.

CHARACTER D- ROUND ONE

CLUES TO REVEAL DURING THIS ROUND

-  Talk to everyone about how much you can't stand Character E. It's true you dated her about three years ago...before you lost your job and inherited your late grandmothers' home. She denies ever dating you...but you two were nearly engaged at one time. (You bought the ring, but never proposed.)
-  Ask everyone at the party if you can borrow some money or some items that they don't need because you're going to have another garage sale. All donations are welcomed.
-  Confide in a few people about how you know Character J likes to blackmail people. It wouldn't surprise you if she was blackmailing a few of the neighbors!
-  You like to randomly impersonate animals, so why don't you impersonate a tarantula and see if people can guess what you are.

PERSONAL CLUES TO CONCEAL

-  You are still in love with Character P. It hurts your feelings tremendously when she lies about dating you in the past. But only your true friends know how you feel about her. Everyone else thinks you could care less about her.
-  You gave Character G an expensive gold-sequined Prada top a long time ago. It was your grandmothers. You don't want to get in the middle of Character I and Character G's argument over it because you like Character I.

ROUND TWO CARDS each player will have one in the printable file. Character names removed to minimize spoilers. You are cautioned to read this if you are trying to keep everything a surprise, but it will give you an idea of some storylines.

CHARACTER G – ROUND TWO

PRE-MURDER CLUES:

- ☠ Confront CHARACTER I about denying the fact you dated three years ago. She owes you for all of the dinners and movies you took her to, and you'll accept a check for the total amount owed.
- ☠ If anybody with a ton of money is at the party, ask them for a loan – you need to pay bills *and* there's a great video game that's being released next week. You and your friends need something to do.
- ☠ This round, you should randomly impersonate an iguana and see if people can guess what you are.

- ☠ **POST-MURDER CLUES:** Clues removed to prevent spoilers, but there will be ~ 3-5 clues per character card.
- ☠ They will mingle about and share these after the murder occurs.

ROUND 3 SOLUTION CARDS – there will be one for each player.

And there is a game solution file that you can open after the mystery is resolved if there are any lingering questions.

This file is representative of the download version. The party pack version of this game will be prepared on double-sided; parchment style paper and all clue cards are foldable and will be slipped (in the party ready version) into graphically labeled envelopes. It's not something that can be accomplished at home with the DIY download version.

The nametags will be on adhesive backed paper and the victim's sign and forensic report will be placed into graphically labeled envelopes. The host instructions are within a professionally printed/bound booklet, and the investigation cards are double sided and professionally printed on a cardstock.
