Birthday: July 12th

Boo-Boo Bonifat has been the residing mayor of Henpecked Junction for almost a decade. Boo-Boo despises change of any kind and manages the town with questionable practices. Boo-Boo will make up words to make your brain spin while gazing into your eyes with unreadable facial expressions. A severe hypochondriac, don't get the sniffles around Boo-Boo, or you'll throw this politician into a freak-out fit. The mayor often scribbles things in a small notebook, but many people want to know why. Boo-Boo is freakishly organized, which enhances their deductive reasoning skills. The mayor is also the town's protector of animals and a rather gifted storyteller.

SKIPPER CLAMPETTS

Trailer Park: Summer Gardens, Lot 14

Birthday: February 9th

Skipper Clampetts is the head chef at the Angry Rooster – the most popular fast-food establishment in Henpecked Junction. Skipper's known to be reactive and dramatic, so working for this spatula-wielder can be taxing. Skipper is forgetful but surprisingly has a crystal-clear memory of being the regional dodgeball champion and MVP for Henpecked High in high school. Skipper will always seek out flattery as this chef's super clean and pays close attention to hygiene. But Skipper doesn't judge others and is a loyal and dedicated friend.

Everyone knows that Dimples tries to pass off regular clothing as designer attire, but the fake emblems Dimples makes are far too transparent. Dimples is always carrying a massive bag, and most of the time – it's empty. That's because this TV star steals everything not bolted down that can fit in the bag. But Dimples is one of the most patient and calm folks ever to be around and is the first to see the good in others – even if it costs them.

JEM ROCK

Trailer Park: Spring Meadows, Lot 53

Birthday: January 17th

Jem Rock is the sassy gum-smacking DJ-for-hire. Jem prefers heavy metal music, and it's rare to find this record spinner without the signature black attire from head to toe. The doc's warned this music spewer to cut back on the three cases of root beer poured down Jem's gullet each weekend, but Jem makes it a point to eat an apple every day to avoid having to go back for checkups. Jem took home the US Mullet Championship for three straight years, but Coors McFadden snagged the title this year and has put Jem into a foul mood for the most part. Jem is always trying to keep up with the Joneses and will spend every last penny on the best of anything just for bragging rights. Jem has great aspirations for the DJ business and doesn't plan to stay in Henpecked Junction for much longer. This DJ is a loyal friend for life and would never give up on those closest to them – but might betray someone if the stars were aligned exactly right.

Therefore, most people bring earbuds to their hair appointments. Crash is notorious for stealing credit for anything good that happens and has an annoying habit of sniffing everything within reach. Funny enough, Crash tries to hide their 145 IQ. Crash may be the most brilliant resident of Henpecked Junction, but you'd never know that.

Trailer Park: Winter Hills, Lot 16

Birthday: July 10th

Bubbles Chickenwort has recently created a pig farm on the outskirts of Henpecked Junction. Bubbles still resides in the Winter Hills Trailer Park and scoots to the farm daily at sunrise. This hiccupping farmer is a constant key and coin jingler who wears massive eyeglasses and speaks to themselves in public. In addition, Bubbles is always searching for the next adventure and an excuse to have fun. But don't make plans too far out with this piggie leader, as Bubbles is likely to flake and stand you up. Teachers throughout the earlier school years referred Bubbles to the gifted and talented programs. However, Bubbles fell out of sorts with academia by ninth grade and struggled through the next three years until graduation. Trailer Park: Winter Hills, Lot 20

Ransom is a free-lance janitor contracted to clean up the high school, city hall, and a few other businesses in Henpecked Junction.

This mop wielder is constantly pacing and worried about something.

But Ransom is polite and is one to tuck a napkin in their shirt even if only drinking soda pop. A thoughtful gift giver, Ransom is a dear friend to have. But, unfortunately, this clean freak never dresses appropriately for any occasion or weather. For example, if you have a wedding in the summer – you better bet Ransom is showing up in overalls and a parka but will wear a short-sleeved tux to a crawfish boil in January.

Also, this shuttler will walk away from conversations without losing eye contact, which is bizarre. An incredibly talented musician, Cletus was a child prodigy who picked up his daddy's guitar as a tot and never looked back. There isn't a song that Cletus can't strum. It can be challenging to convince Rooster of anything, so dealing with Rooster on any level can take time and effort.
