CHARACTER	BRIEF BIO	SUGGESTED ATTIRE
<p>PHOENIX PICKLESTEIN Tanning Salon Owner</p> <p>REQUIRED</p>	<p>Phoenix Picklestein is the overzealous organizer of the Bloodwood High School reunion. Unfortunately, Phoenix has been taking their role a bit too seriously and has gone over the top with catering, decorations, and an itinerary of activities scheduled down to the minute. Of course, this comes as no surprise to those in Phoenix's inner circle, as this business owner is a self-proclaimed foodie and event planner.</p> <p>Phoenix owns <i>Tantastic Rays</i> – a tanning salon with ten private rooms with UV-blasting beds – all equipped with a sound system, fan, full-length mirrors, and complimentary personal amenities.</p> <p>Phoenix was prom royalty and one of the popular kids at Bloodwood High. Phoenix hopes to relive the glory days and recapture some of the attention they used to receive.</p>	<p><i>'80s prom attire, or you can say you just left work and wear a tropical tree costume, a uniform shirt with Tantastic Rays nametag, or any other business casual attire.</i></p>
<p>CAM TINKLEHEIMER Traveling Musician</p> <p>REQUIRED</p>	<p>Everyone was surprised that Cam Tinkleheimer, the shy and reserved wallflower at every school function, returned the RSVP to Phoenix Picklestein for the upcoming Bloodwood High School Reunion. It isn't easy to engage with Cam, as they've always struggled to fit in with others – especially given that they are an over-the-top germaphobe who can't go a minute without sanitizing their hands.</p> <p>Cam's only bit of normalcy is while on stage performing music.</p> <p>Cam is a one-person cover band that writes, produces, and performs original songs. When not on the road or performing at events, Cam is a regular act at <i>The Shadow's Den</i>, a dive bar in town. Cam will ask the crowd for requests but usually doesn't know how to play the songs.</p>	<p><i>'80s prom attire. Or, you can say you performed this afternoon and wear mismatched patterned clothes (plaid shirt, striped pants, mismatched socks).</i></p>
<p>JORDAN WIGGLESWORTH Technology Entrepreneur</p> <p>REQUIRED</p>	<p>Since receiving the announcement, Jordan Wigglesworth hasn't stopped posting on social media about the upcoming reunion of Bloodwood High School.</p> <p>Jordan is a teenage nerd-turned-tech tycoon who cannot wait to show off their success to the former hallway bullies. Jordan is a multi-millionaire who made it big with their second tech start-up, <i>Questworks</i> – the world's most successful standalone interactive entertainment and gaming corporation, serving over five hundred million monthly active users.</p> <p>Jordan usually has a pocket-size drone to capture and post real-time feeds on social media. Jordan wears custom-made augmented reality glasses that show their net worth in real-time, personal follower counts, subscriber counts, and engagement on social media. Jordan has a signature dance move that mimics typing on an invisible keyboard called <i>Tech Prowess 3000</i> – a nod to the early days of 20-hour days of coding before the millions were in the bank.</p>	<p><i>(M) Vibrant-colored, oversized jacket with padded shoulders, shirt, bowtie and slim-fitted pants.</i> <i>(F) Voluminous taffeta or satin dress with oversized accessories and huge hair.</i></p>

<p style="text-align: center;">ALEX SNAKEFRIGHT Psychology Professor</p> <p style="text-align: center;">REQUIRED</p>	<p>Alex Snakefright held on to the announcement of the Bloodwood High Reunion until the final day of the RSVP period. Alex finally decided to attend and will be there with bells on. Many people have sarcastically commented that they cannot wait to be around Alex's smug superiority complex.</p> <p>Alex is a professor at Ivydale University in the Psychology Department who always thinks they are the most intelligent person in the room. However, Alex's memory doesn't quite keep up with the intellect prowess, as they can't even remember what they had for dinner the night before or their neighbor of ten years' name. Alex was a superstar soccer player in high school but hasn't been much for sports or physical fitness since graduation. Alex probably decided to attend the reunion to siphon off a bit of their former glory of being an athlete. Alex is a bit of a hoarder and doesn't have many friends.</p>	<p><i>(M) Tailored suit, plum color or other, subtle herringbone or striped. Crisp white shirt with oversized collar. Matching trousers, and a pipe for an accessory.</i></p> <p><i>(F) Tailored plum gown, satin, with huge up-do hair and reading glasses.</i></p>
<p style="text-align: center;">HAYDEN NOODLES Screenwriter</p> <p style="text-align: center;">REQUIRED</p>	<p>Hayden Noodles was always known as a rebellious outlaw at Bloodwood High School. Hayden is excited to go to the reunion to show they've patched up their sordid reputation, and today they are an established screenwriter. Albeit Hayden looks the same, drives the same car, and has all the same bad habits that they did in high school, so Hayden has an uphill battle as far as social re-branding goes. Hayden tends to get anxious and does not like enclosed spaces. If Hayden gets nervous, the awkward and rude comments will start to flow unfiltered, as that is their only coping mechanism. Hayden boasts about the scripts they have written, but to date- they have yet to make it on the silver screen. Nevertheless, Hayden keeps the dream alive that they'll make it big one day.</p>	<p><i>(M) Slim fitting, electric blue jacket with a ruffled white buttoned shirt. Tailored pants and skinny tie.</i></p> <p><i>(F) Statement-making dress – neon pink or electric blue. Huge earrings, huge hair.</i></p>
<p style="text-align: center;">CASEY HIGGINBOTTOM Social Media Influencer</p> <p style="text-align: center;">REQUIRED</p>	<p>Casey Higgenbottom was on the fence about attending the Bloodwood High School reunion but finally sent their RSVP card to Phoenix Picklestein. Casey is a social media influencer with a large following who puts out family and lifestyle content. In high school, Casey was a varsity cheer squad member and one of the most familiar faces in the hallways. Casey is friendly and outgoing - but this might only be on the surface. Lately, Casey has received many comments from anonymous accounts on social media about how cruel and rude Casey was in school, that Casey is not a good parent to three daughters, and that Casey even got knee-deep into a criminal ring right out of graduation. Of course, Casey denies all of this, but Casey doesn't know if attending the reunion would make this worse or give Casey redemption. Either way, you can bet that Casey will be posting most of the reunion through social media channels.</p>	<p><i>(M) Fitted blazer, bright red or metallic silver and trousers. Patterned button-up and skinny tie.</i></p> <p><i>(F) Standout sequined or metallic mini dress with asymmetry or ruffle accents for an '80's vibe.</i></p>

<p style="text-align: center;">AVERY CHEDDARWURST Business Tycoon</p> <p style="text-align: center;">OPTIONAL</p>	<p>Avery Cheddarwurst sent their assistant to hand-deliver the RSVP card to Phoenix Picklestein, as they had no doubt they wanted to attend the Bloodwood High School reunion. Bring the nausea meds, as Avery's boasts about their wealth and success can get a bit sickening – even to the strongest of stomachs. Avery first made their money in real estate investments before becoming a venture capitalist. Avery has their hands on several projects with revenue streams from all directions. Avery was never trustworthy back in high school, and if you speak to anyone who knows Avery today – nothing has changed. Avery is superstitious, will refuse to go near black cats, and won't step on cracks or walk under ladders. If someone breaks a mirror, Avery must call a crew to vacuum every glass slither before breathing in that room again.</p>	<p><i>(M) Tuxedo and well-groomed hair. (F) Glamorous floor-length luxurious gown (silk, satin, lace) in a jewel tone (emerald, royal blue). Statement jewelry. Soft waves or elegant updo for hair.</i></p>
<p style="text-align: center;">VAL WHIPPLESNATCH New Age Guru</p> <p style="text-align: center;">OPTIONAL</p>	<p>Val Whipplesnatch jumped to secure a spot at the Bloodwood High School reunion. Val cannot wait to catch up with former classmates and possibly recruit them to join <i>The Hills of Oregon</i> – their cultish community. This peaceful compound of over a hundred people has perfected the art of gardening, meditation, and mindfulness.</p> <p>Back in high school, Val was the valedictorian. With a perfect GPA and attendance record, Val did everything as asked. A teacher's pet and model citizen, Val headed up many clubs on campus, such as Campus Crew, which focused on giving students fun alternatives to the partying lifestyle. So it is no wonder that Val became somewhat of a cult leader.</p>	<p><i>Robe or kaftan: flowing in vibrant colors and embellishments like sequins, fringe, or metallic accents. Headpiece – wrap, feathers, flowers, etc.</i></p>
<p style="text-align: center;">KAI SNODGRASS Pet Detective</p> <p style="text-align: center;">OPTIONAL</p>	<p>Kai Snodgrass requested to organize the Bloodwood High School reunion, but Phoenix Picklestein had already claimed the role. Since Kai and Phoenix were never fond of each other, Kai declined to be a co-host. Kai was the yearbook editor at Bloodwood High and spent every second outside of school volunteering for local animal shelters. That is where Kai claims to have connected with animals in ways that most people cannot. Whatever Kai is doing is working, however, as Kai has made a decent living finding lost pets, convincing misbehaving pets to behave, and increasing the happiness and well-being of pets through therapy sessions. Kai hasn't changed since high school; many believe they still wear the same clothing.</p> <p>Kai is known for spreading unfounded gossip, which usually turns out to be false, so take what Kai tells you with a grain of salt.</p>	<p><i>Give a nod to Ace Ventura, or opt for a bold-print jacket, contrasting design shirt and trousers/skirt. Whimsical, colorful sneakers and an outrageous hairstyle.</i></p>

SAGE SCHNITZEL

Professional Gamer

OPTIONAL

Sage Schnitzel returned their RSVP card for the Bloodwood High School reunion without blinking an eye. Sage always got along with everyone back then and has not gotten out of the house much since graduation long ago. Sage is a professional gamer who is the first to test out video games from one of the biggest game-developing companies, *Questworks*, owned by Jordan Wigglesworth. Because of this career path, Sage hardly gets out of their PJs and has only left the house a handful of times in the past year.

Sage is a conspiracy theorist and believes the government handles everything that goes wrong. Sage is well stockpiled for an apocalypse and will launch an anti-government rant if anything triggers them. Many of Sage's neighbors have accused Sage of hacking into their networks, but nobody has garnered any evidence.

*Onesie of a gaming character theme.
(B) Graphic T of video game character with a blazer over it and trousers..
(F) Playful '80s inspired dress, leggings, legwarmers.*
