GUEST LIST

SUNNY SHINEWELL

SWIM COACH

The beautiful Sunny Shinewell is a prim and proper lady. She is an undefeated swim team coach for Sun Valley High School and takes her job seriously. Sunny has a mysterious character, but she's a gracious and loyal friend. Many people close to her say she's not been the same since her heart was broken two years ago. Sunny swears she has moved on, but only time will tell.

RAY SONLEY

PAPERBOY

Ray is the introverted neighborhood paperboy for the Sun Valley Times. Ray's a good listener, so he's your boy if you need someone to talk to. However, don't expect to get much in return, as he's not known for stimulating conversation. Many of the townspeople criticize Ray for not having future career aspirations. He defends himself by saying he is happy where he is and nobody has the right to judge him. Papers need to be delivered!

TANNY WATERS

TANNING SALON OWNER

Tanny Waters is the bubbly owner of a tanning salon. She has a history of sibling rivalry with her brother, Speed O. Blue. She's quirky and would rather sing her words than speak normally. This behavior tends to drive a few people crazy—especially her brother. Tanny is currently working on a commercial ad campaign for her tanning salon. She has strong opposition from skincare advocates, but this isn't stopping her!

DANGER

REALITY TELEVISION STAR

Danger is an ultra-competitive reality television star. Her boorish behavior can sometimes be shocking, but it's well-suited for reality television. There isn't much that Danger hasn't done on the small screen, but if there's a challenge facing her, she'll take it. Rumor has it that Danger has signed a contract to be on a ground-breaking docu-series that will be released next year. Too bad she can't talk about it. Everybody is dying to know what the show's about!

MAY FLOWERS

HEIRESS

May Flowers is the haughty heiress of Sun Valley. Her mansion is the only one in town, but nobody besides her best friend, Uvi Raze, has ever been allowed inside! The neighbors often wonder what this ritzy diva is hiding. The Flowers family have built most of the buildings in town, run at least half of the businesses, and have many influential connections across the nation. May is not one to be messed with – that's for sure. However, there are rumors that May's been dealing with a blackmailer. Who would be so foolish?

GUEST LIST

MELAN O. SITE

MONSTER TRUCK DRIVER

Melan O. Site is the most annoying one-upper you'll ever meet. If you've done, said, or tried anything - Melan will give you an elaborate story about how she's done it more often, said it already, and tried it twice! Mischief is her middle name, as she usually drives her enormous monster trucks around town - even though they are not street-legal! Melan has many corporate sponsors with her gig, so she needs to keep her nose clean. Even so much as a traffic ticket wouldn't fare well with her sponsors.

SALLY SURFTON

SUNBLOCK CHEMIST

Sally Surfton is Bronzestone Skincare's no-nonsense sunblock chemist. She will not tolerate anyone going out in the sun without protection and is famous for lengthy lectures about proper skin care! Sally makes it well known that she is against any type of behavior involving willing damage to the skin, including visiting tanning salons. She has vowed to stop Tanny Water's ad campaign for her tanning salon.

SAM SOLBLOCK

CHOCOLATIER & OWNER, SAM'S SUGAR SHACK

Fun is Sam Solblock's middle name! Sam's a gourmet candy maker and owner of Sam's Sugar Shack. Sam loves to pull practical jokes on his friends, family and even customers! He's a child at heart, and when you are around this chocolatier, you might want to watch your back - literally! However, Sam is not made up of all smiles, as someone recently took advantage of his store's return policy. Sam's business is in a crisis if he doesn't put a stop to it!

MAKKEN R. WAVES

UNEMPLOYED MOOCHER

Makken R. Waves has been unemployed since he inherited his home from his great-grandmother years ago. He is physically capable of working but claims he doesn't want to because a job would interfere with playing video games. He borrows money for his living expenses from his non-moocher friends, who have all started to avoid him. As ducks fly with ducks, Makken usually has a group of his fellow mooches around. If you're around them for over ten seconds, they will ask you for money, so beware.

DIVEY BORDS

PROFESSIONAL DIVER

Divey Bords is the spunky professional diver and Sun Valley Diving Team captain. Divey often mocks people to get under their skin, so many people try to avoid this high diver. However, Divey is the best diver on the city diving team and has led the squad to win many state championships and even nationals several times! Recently, there has been strife among the divers, but Divey believes it is now under control.

GUEST LIST

PET POOLFER

BABYSITTER

Pet Poolfer is the gregarious neighborhood babysitter. If you are shy about hearing the truth, do not even speak to Pet. This is one brutally honest babysitter who has a habit of over-exaggeration. Lately, Pet has had difficulty keeping a watchful eye on big groups of kids. Pet often brings large groups in public, and things don't always go as planned.

SPEED O. BLUE

RECREATION CENTER MANAGER

Speed O. Blue remains seemingly professional as the Sun Valley Recreation Center manager during his shifts. However, his arrogance and ill manners are stifling once he's off work. He's rude, but his English accent is enough to win some people. Too bad his accent isn't authentic, however. Speed O. Blue is a former schoolyard bully who broke a few hearts during his time. For this reason, he's not the most popular person in Sun Valley.

MARCO POLO

LIFEGUARD

Marco Polo is a charismatic gentleman and an energetic Sun Valley Recreation Center pool lifeguard. However, he's recently been falling asleep on the lifeguard stand while on duty. Many say he is a liability to the recreation center, and someone is bound to get hurt while he's on watch. Marco contends he is fine and is now controlling his sleepy situation with energy drinks. But why is Marco so tired? That's the question the recreation center manager would like to have answered!

UVI RAZE

SURF INSTRUCTOR

If you looked up the word perfectionist in the dictionary, Uvi's picture would be next to the description. Uvi Raze is a total fussy when it comes to surfing. Even though Uvi's the best at riding the waves, she constantly needs to improve. Uvi has been stressed out lately with false news reports of sharks around Sun Valley Beach. This is ruining her business! Uvi claims the local news has nothing to report, so they are fabricating stories!

TELE EVITANG

INVESTIGATIVE REPORTER

Tele Evitang is always on top of the latest stories—sometimes before they happen! An ultra-ambitious investigative reporter for the television station RBC, Tele will stop at nothing to be the first to get the scoop. This reporter is also the first to spread neighborhood gossip. Watch what you do and say around this nosy neighbor!

BRELLA BEACHES

●LYMPIC GOLD MEDALIST

Brella Beaches is an Olympic gold medalist and reigning national swimming champion. She picked up three gold medals while competing in the last summer Olympics! Nevertheless, she's let success go to her pretty head, as she's become quite a narcissist! Because she boasts about how perfect she is in the media, paparazzi follow her in an attempt to catch her doing something unscrupulous.
