Guest List

FINN NAVY

Police Chief

Finn Navy is the brazen police chief of Thornwood. Finn micromanages a police force of 400 officers but is usually considered fair. Still, Finn gets what they want at all costs, so stay out of Chief Navy's crosshairs if you wish to remain on the chief's good side.

Finn is obsessed with every type of sporting event and often pouts at the outcome of events.

DR. INDIANA TAWNY

Professor of Archeology

Indiana Tawny is a dedicated professor and chairperson of the archaeology department at Hartford University. Indiana is kind, helpful, and a genuine joy to be around. Unfortunately, Indiana's gentle personality is often taken advantage of, and this professor usually ends up in harm's way. Nonetheless, everybody loves to see Dr. Tawny's contagious smile.

DR. BRIN WHITE

Professor of Biochemistry

Dr. Brin White is the chairperson of the biochemistry department at Hartford University. Brin is constantly working in the lab, filled to the brim with ambition. Brin's work habits can be off-putting, as this professor's energy exudes stress. Dr. White never relaxes and is continually wound tight. Brin's colleagues worry about this scientist's health and well-being. Dr. White is a night owl insomniac and often takes work from the lab home.

GENTRY BLACK

Retired Army General

Gentry Black has moved home to Thornwood after serving four decades in the U.S. Army. Gentry sometimes teaches courses in various departments at Hartford University, as Gentry's skills, knowledge, and experience are broad. Gentry also has an extensive network of friends and family and knows most of the Thornwood townsfolk. It's been challenging for Gentry to adjust to civilian life, and for this reason, Gentry can appear bossy at times.

PEYTON PEWTER

Opera Singer

Peyton Pewter is a semi-famous opera singer who has a home base in Thornwood. Peyton travels with the *Grand Stage Opera Tour* throughout the year. Peyton might be out of town for most of the year, but this songbird is wired into Thornwood's dynamics and inner workings and knows a little about everyone's business. Nosy Peyton often fears missing out on things and can be a bit of a rumor-spreader.

REESE CERULEAN

Entrepreneur

Reese Cerulean is the wealthiest person in Thornwood. Reese is quite powerful, owning many businesses and properties in town. At Hartford University, the *Cerulean Science Hall* was named after Reese's great-grandfather, a famous biochemist with multiple biochemical patents that became the source of the Cerulean fortune. A crude businessperson, Reese has plans to open many new businesses in the upcoming year.

DREW OLIVE

Survivalist Instructor

Drew Olive is a survivalist and wilderness instructor, teaching survival techniques to corporate groups, families, and individuals through week-long camping excursions in the Thanos Mountains surrounding Thornwood. Drew is a tad eccentric, and many townsfolk don't trust this mountain dweller. Drew surveils people randomly for no apparent reason, but this survivalist says that spying is a valuable skill one must nurture.

RILEY MINT

Mayor of Thornwood

Riley Mint is the mayor of Thornwood. Riley has been the mayor for twenty years and is facing an upcoming election soon. This politician is a hard worker and takes care of the primary needs of the people of Thornwood. Mayor Mint's status seems fine, as there are no other candidates registered thus far. The town is quiet and calm, so nobody has ever found a reason to run against Riley. However, remember that Riley is a politician who will do and say anything to stay in power.

Guest List

LOGAN PLUM

Unknown Occupation

Logan Plum is somewhat antisocial and is known as a con artist in the town of Thornwood. Not one for enjoyable conversation, Logan can be a litigious troublemaker. Nobody knows precisely how Logan earns money to live, but many people have theories. With Logan's faults aside, this townie is a dedicated and loyal friend to a handful of people – one of whom is Mayor Mint.

OMARI GRAY

Influencer

A former hit morning radio host, Omari Gray is now a social media influencer with over a million followers. Omari's a great friend to have and a dreadful enemy to make. Omari has the attention of the internet and can make nearly any story go viral. Omari has endless energy, and this type of vibe can be too much for most people. Some people have found this attention seeker untrustworthy.

PRAM PEACH

Former T.V. Star

Pram Peach is a former soap opera star from the long-running show *The Beautiful People*. After Pram's character was written off the show, Pram moved to Thornwood from the wild vibes of Hollywood only six months ago. Pram spun a globe and stopped it with a pencil eraser, vowing to move to whatever location the eraser landed on, which was Thornwood. Some townies have speculated that this former star is bored living in such a quiet town.

BLAISE CYAN

Retired Tech Genius

People say that everything Blaise touches will turn into gold. Blaise is a former tech genius from Silicon Valley who moved to the quiet college town of Thornwood after selling an AI Vasanth Music Composer application and banking millions. Blaise is only days from launching a global beauty pageant system integrated with AI bells and whistles. Those who've gotten the inside scoop have told the press that the pageant system will be groundbreaking. Stay in this entrepreneur's shadows if you seek good luck and fortune, as there's plenty to go around.

WOLFE INDIGO

Academic Advisor

Wolfe Indigo is a sarcastic academic advisor. Wolfe moved to Thornwood a year ago after graduating from a small college in Southern Louisiana. Unfortunately, this advisor seems more miserable and awkward than when the moving trucks arrived at the *Treetop Terrace Apartments*. Rumor has it that Wolfe has applied to multiple positions in town since moving here but hasn't even received an interview. Everyone is curious as to why Wolfe doesn't like working at Hartford University.

JULES SCARLET

Federal Agent

Jules Scarlet is an agent for the Federal Bureau of Investigation. Or it could be for the Central Intelligence Agency. Or perhaps a top-secret agency? Nobody in town truly knows where Jules goes when they leave town. This secret agent is challenging to be around, as it is impossible to tell if Jules is on the clock. Watch what you say around this undercover snoop.

ASHTON JADE

CBC News Reporter

Ashton Jade is a gregarious news reporter for CBC News. Ashton will do anything to get the scoop and outshine their competition at RBC News. Therefore, if you don't want your skeletons escaping your closet, stay clear of Ashton. Some have accused Ashton of creating or fabricating news stories in the past, so not many people trust this reporter.

BRADLEY GOLDEN

Museum Curator

Bradley Golden is a charismatic Thornwood Natural Science and History Museum curator. A tad narcissistic, Bradley is aware of their stunning looks and, therefore, can get away with what most people cannot. Bradley can be difficult to work with at the museum, so some of Bradley's colleagues avoid this curator.
